## ***Opening of \$8.5 million Nicklaus Design Golf Course is Impetus for New Projects***

Ocean Edge's new Nicklaus Design golf course opened last spring on May 1. Ocean Edge Golf Course, one of Cape Cod's few private fairways, is open to club members and resort guests. The greens on the par-72 course, with strategically placed bunkering and sand traps, have been customized to United States Golf Association specifications.

The renovation fever at Ocean Edge can be attributed to a number of factors, namely, the success of the newly formed Ocean Edge Club, which began selling memberships just over a year ago. Two hundred sixty-five golf memberships have been sold to date, with plans to cap golf memberships at 300. For the non-golfer, sports memberships are available with complete access to all resort pools, fitness, tennis, and social activities, as well as private beach privileges.

The new Bayside Ballroom at the Mansion was designed by Niemitz Design Group Inc. and Cambridge Seven Associates of Cambridge, MA. Gauthier~Stacy Inc. was responsible for the Mansion interior overhaul, providing interior design and converting meeting rooms to dining and lounge areas.
